Track Product Manual

Global leading supplier of rail socket products

Obtained certifications from multiple countries

Headquartered in
Zhejiang, China

Our Certificate

Greater China, Japan, Korea, ASEAN, India, Australia, Israel, South Africa, EU and the Us.

Industry leading manufacturer of rail sockets
Multiple product series have been developed

Product Series Family Photo

Customizable on demand

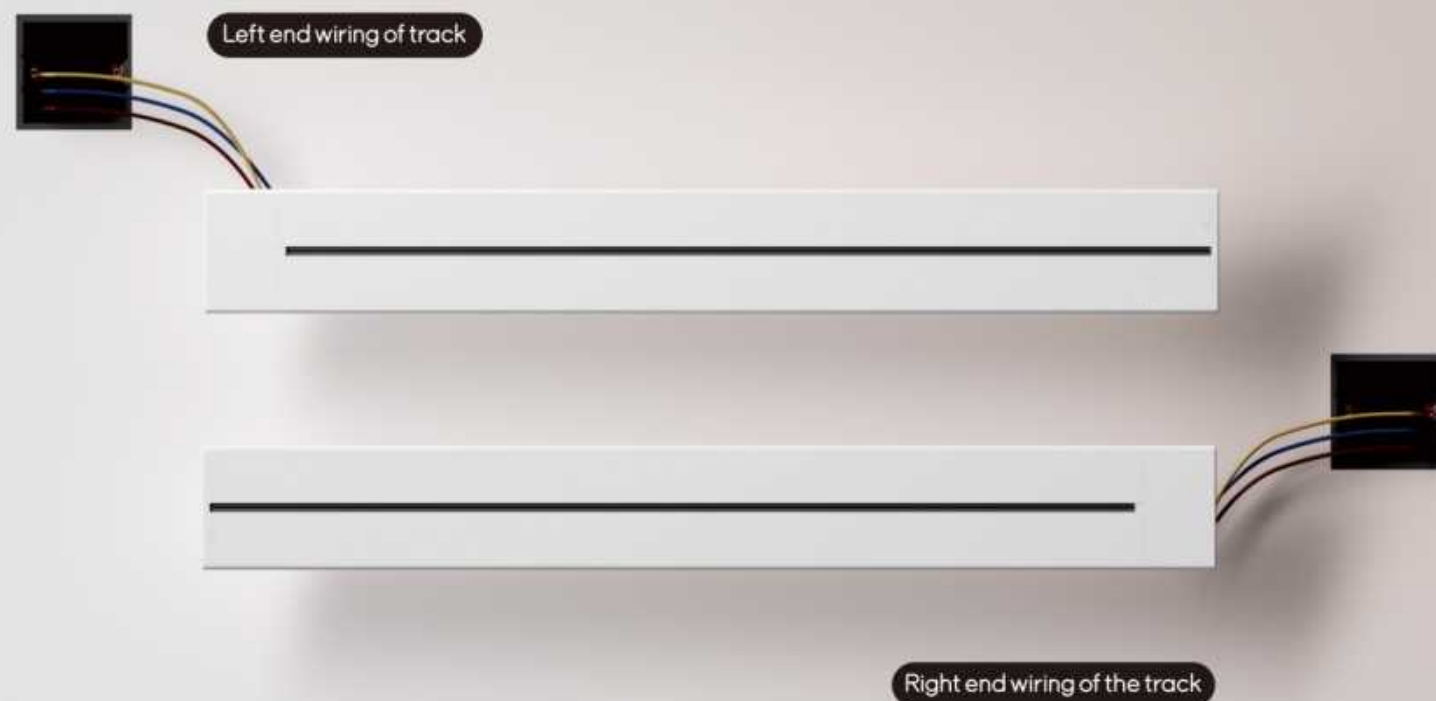

More products are under continuous development

Unrestricted installation

Can be wired left and right

Diagram of Track C Series

The track unilateral terminal can realize 360° all-round coverage wiring. You can choose the corresponding location according to the specific situation of your home.

Easy to use

Reverse power outage, reverse power on
Gently turn the plug to complete the connection

High quality copper core

High quality thickened copper core for faster and safer conductivity
Separate neutral and live wires for safer use

High-power

8000W high load
Simultaneous use of high-power electrical appliances

Easy to clean

Aluminum alloy material, crystal coating process.
No fingerprints left, easy to clean with a wipe

Customizable appearance, product material, and color

Surface mounted track

Track name	B Series PowerTrack socket (left and right wiring)	Rated Power	8000W
Track color	Dark gray, ivory white, champagne gold, Mocha black, space silver	Rated current	32A
Installation mode	Surface mounted	Rated voltage	110-250V~
Process material	Sandblasting aluminum alloy+small anodizing	Dimensions	Width 86mm, thickness 18mm, length 0.4/0.5/0.6/0.75/1 1.2/1.5/2/3m Customizable in different lengths

It's a socket and
a work of art

C-series track socket

Track name	C Series PowerTrack socket (left and right wiring)	Rated Power	8000W
Track color	Dark gray, ivory white, champagne gold, Mocha black, space silver	Rated current	32A
Installation mode	Surface mounted	Rated voltage	110-250V~
Process material	Sandblasting aluminum alloy+small anodizing	Dimensions	Width 86mm, thickness 18mm, length 0.4/0.5/0.6/0.75/1.2/1.5/2/3m Customizable in different lengths

SOLARC

Upgraded version

Large button switch

D-series track socket

Equipped with a master control switch

Track name	D Series With switch PowerTrack socket (left and right wiring)	Rated Power	8000W
Track color	Dark gray, ivory white, champagne gold, Mocha black, space silver	Rated current	32A
Installation mode	Surface mounted	Rated voltage	110-250V~
Process material	Sandblasting aluminum alloy+small anodizing	Dimensions	Width 86mm, thickness 18mm, length 0.4/0.5/0.6/0.75/1 1.2/1.5/2/3m Customizable in different lengths

Track name	L Series With switch PowerTrack socket (left and right wiring)	Rated Power	8000W
Track color	Dark gray, ivory white, champagne gold, Mocha black, space silver	Rated current	32A
Installation mode	Surface mounted	Rated voltage	110-250V~
Process material	Sandblasting aluminum alloy+small anodizing	Dimensions	Width 86mm, thickness 18mm, length 0.4/0.5/0.6/0.75/1 1.2/1.5/2/3m Customizable in different lengths

Mirror Aesthetics

Light luxury aesthetics

M-Glass series track socket

Home aesthetics, a new experience of borderless glass mirrors

Track name	M Glass Series PowerTrack socket (left and right wiring)	Rated Power	8000W
Track color	White/Gold/Gray/Black	Rated current	32A
Installation mode	Surface mounted	Rated voltage	110-250V~
Process material	Sandblasting aluminum alloy+small anodizing High hardness tempered glass	Dimensions	Width 86mm, thickness 18mm, length 0.4/0.5/0.6/0.8 Customizable in different lengths

Redefine beauty

Brilliant appearance

F-concealed series track socket

More in line with the wall, creating a fusion of beauty

Track name	F Series PowerTrack socket (left and right wiring)	Rated Power	8000W
Track color	Dark gray, ivory white, champagne gold, Mocha black, space silver	Rated current	32A
Installation mode	Concealed installation	Rated voltage	110-250V~
Process material	Sandblasting aluminum alloy+small anodizing	Dimensions	Width 86mm, thickness 18mm, length 0.4/0.5/0.6/0.75/1 1.2/1.5/2/3m Customizable in different lengths
